BROADWAY

Beginning August 10 - September 7, Robert Berman Gallery is pleased to present Michele Roberts' new oil paintings on canvas.

Since moving to Seattle, Michele Roberts' work has moved into a new, darker vibrancy that has been markedly influenced by the rich verdancy of the Pacific Northwest. Mysterious mountains, ravens and trees clearly delineate Roberts' progression from a style which previously hinged on colorful, cartoony panels. The influences of Georgia O'Keeffe and Henri Rousseau are evident in these paintings which reveal the artist's preoccupation with spiritual subconscious.
